■ **Kale**

When you can say “what a relief!” as you step in your home...  
When you can see more than four walls while “inside” ...  
When you can reflect your own colors, own delights as you wish...  
When you can host your dreams as much as your friends for dinner...  
When you can raise a flower, a child, or a hope within the peace of your home...

Only then, your home becomes your world,  
and the world is your home!

And we,

We are ready to reflect your imagination and style to every corner of your home,  
and to take good care of your home, your world, and you. with our design-oriented durable  
products, with our not only inspirational but also sustainable and economical solutions,  
with our unique balance between the functionality and esthetics.

# Bathroom Furniture

## Lotus Bathroom Furniture

Make room for the Lotus series in your spaces for a modern and colorful bathroom as you dream.

Designed with Kalesinterflex porcelain slabs, the Lotus series, which creates an aesthetic appearance with its matte surface and lets you combine your favorite colors, brings functionality and elegance to your bathroom.

Equipped with white, gray, black, sage green and peach color alternatives that will suit your bathroom very well, the series adds unique interpretations to your superior hygiene experience with Zero 2.0 polished white and matte black bowl washbasin sets.

# Furniture

Lotus series, which creates large storage spaces with its side cabinet and tall cabinet modules, makes room for all your stuff with its push-to-open soft close drawers. It goes beyond the borders in bathroom design with its illuminated mirror panel, which opens and closes with one motion owing to a touch sensor and offers two options, as well as details like LED - illuminated Kalesinterflex countertop and drawer lighting.

# Bathroom Furniture

## Grandhome Bathroom Furniture

Now is the time to have a timeless bathroom with Grandhome bathroom furniture! Appealing to exclusive pleasures with its design and providing a privileged bathroom experience with its functions, the Grandhome series takes its place in pleasant spaces.

The series, which can adapt to various bathrooms with its single 100 cm washbasin and 140 cm double washbasin alternatives, creates an aesthetic appearance with matte white, matte black, and matte sage color options on its lacquer finish.

It beckons you to have a matchless bathroom with its drawers offering large storage spaces, its elegant countertop prepared by Kalesinterflex porcelain slabs, and features that give a modern classic effect.

# Bathroom Furniture

## Zeta Bathroom Furniture

The ways of bathrooms featuring innovation pass through Zeta bathroom furniture. The Zeta series, which is the brand-new design of Kale Banyo and fuses simplicity with elegance, appeals to contemporary and minimalist pleasures.

Offering an assertive look with its matte white and matte anthracite colors, the new series inspires vivid and original designs owing to its dried rose color. While being preferred in every bathroom with its 65 cm, 80 cm, and 100 cm sizes, it also offers a large storage space with a functional tall cabinet.

Providing long-lasting use with its lacquer finish, which is highly resistant to water and steam, the Zeta series combines hygiene and functionality in one place with its Mood 2.0 shelf washbasin.

# Why Kale Bathroom Furniture?

## Durable.

### Quality Rails and Hinges

All rails and hinges used in the products are produced in the highest quality in accordance with European norms.

### European-origin Durabad Coating

Its high quality Durabad material provides high water and UV resistance.

### Natural Wood Veneer

These are high-quality coatings in which the natural color and texture of the tree is preserved.

### Superior UltraLacquer Paint

It is not easily scratched and high UV resistant with acrylic based topcoat application.

### 100% Guaranteed Mirrors

All mirrors pass 100% quality control and a special solution is applied against the risk of tarnishing.

## Safe.

### Illumination Systems with Transformer

Lighting elements used in mirror cabinets are transformer and safe.

### Tempered Glass Counters

It is safe against accidents and injuries as it does not form sharp parts when broken.

## Aesthetic.

### High Gloss

It enables surfaces to reflect high amounts of light.

## Silent.

### Soft Close Doors and Drawers

It closes silently and has a long service life.

## With Warranty.

### 2-Years Warranty

All Bathroom Furniture is guaranteed for 2 years.

### Authorized Service Installation Warranty

Products installed by Kale Authorized Services are guaranteed for 2 years against workmanship and assembly defects.

## Functional.

### Drawer Dividers

Allows grouping of items and keeping them organized.

### Backlit Mirrors

The LEDs behind the mirror do not tire the eyes with their homogeneous daylight color.

### Full-Extension Drawers

Allows you to easily access the items back in the drawer.

### Ecological Mirror

We are environmental-friendly with our ecological mirrors.

### Built-in Drawer Lighting

Helps seeing inside the drawer more easily, even in the dark.

### Push-Open Lids / Drawers

The doors and drawers are opened and closed easily with a single touch.

### Hidden Drawer

Creates extra stock space.

### Drawer Anti-Slip Mat

Ensures that the items are kept neat and in place.

### Modules that Create Stock Area

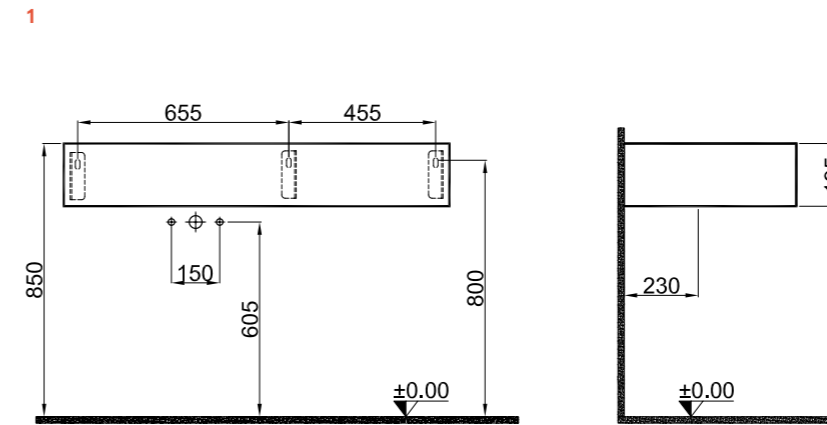

Creates a solution to evaluate dead spaces in the bathroom.
