■ **Kale**

When you can say "what a relief!" as you step in your home...
When you can see more than four walls while "inside" ...
When you can reflect your own colors, own delights as you wish...
When you can host your dreams as much as your friends for dinner...
When you can raise a flower, a child, or a hope within the peace of your home...

Only then, your home becomes your world,
and the world is your home!

And we,

We are ready to reflect your imagination and style to every corner of your home,
and to take good care of your home, your world, and you. with our design-oriented durable
products, with our not only inspirational but also sustainable and economical solutions,
with our unique balance between the functionality and esthetics.

Faucets

Arris Faucet

Designed for hygienic and aesthetic spaces, the Arris series offers solutions to all your needs with its durable and water-saving structure.

The Arris, which gives a striking appearance owing to its sharp lines, reinterprets the spaces with its matte black and chrome color options.

Karina Faucet

Offering an impressive design to those wishing to pass beyond the ordinary in their bathrooms, the Karina creates a difference with its color diversity and assertive design.

Karina single lever basin mixer, which brings elegance to living spaces by combining comfort with aesthetic design, offers the freedom to choose the color you want with its chrome, brushed nickel, rose gold, and matte black color alternatives.

Smart Pull Down Kitchen Mixer

If you have Smart Pull Down in your kitchen, everything happens as you wish...

Paving the way for a comfortable kitchen experience with its superior design, the Smart Infrared Pull-Down Kitchen Mixer reaches everywhere in your sink effortlessly and makes your life easier in the kitchen thanks to its pull-down hose extending downwards.

The mixer, which can be set to sprinkle or spray depending on different needs, finds its place in pleasant and convenient kitchens with its two-functional flow system and sensor offering the opportunity to turn on and off the water without touching.

Smart Pull-Down Mixer, which responds to all the needs in your kitchen, uses water efficiently and economically, which is our source of life.

Tetra Faucet

Water and liquid soap are together with Tetra Multifunctional Infrared Basin Mixer and Liquid Soap Dispenser, and superior hygiene is in bathrooms with innovative technologies!

Combining water and liquid soap flow in a single faucet, the Tetra Infrared Mixer uses only 4.5 liters of water each minute to maximize water savings while offering a touchless and efficient cleaning experience.

Equipped with practical technologies, the Tetra Infrared Mixer is the ideal choice for homes and public areas owing to its functions of operating with battery and electricity, adjustable liquid soap flow rate, and 2-year warranty.

Shower Systems

Rain Round Push Button Shower Bar

Taking the soothing effect of raindrops to your bathroom, the Rain Shower Bar creates a pleasant shower experience with its exclusive flow system.

It provides uninterrupted shower pleasure owing to its practical use while preventing water leaks caused by breakage and bending, with its highly durable structure.

Rain Shower Bar, which brings the shower experience you wish to your bathroom through its regular, massage, and foam functions, perfectly adapts to your bathroom with its round and square forms.

Why Kale Faucets and Shower Systems?

Durable.

Ceramic Cartridges

Long lasting and durable as its internal components are made of ceramic material.

Stainless Steel Double Braided Flexible Hose

Flexible handshower hoses are long lasting because they are made of stainless-steel material.

Surface Coating

Durable, polished chrome and PVD coating

Practical.

Kalebox & K-Box

It provides flexibility and convenience with its common body structure that all exposed parts adapt. Since its cartridge is on exposed part, it enables cleaning the cartridge without damaging it when the wall application is finished.

With Warranty.

10 - 5 Years Warranty

Bathroom & Sink Mixers are guaranteed for 10 - 5 years

5 Years Warranty

Thermostatic faucets and shower systems are guaranteed for 5 years.

2 Years Warranty

Taps and Infrared faucets are guaranteed for 2 years.

Authorized Service Installation Warranty

Products installed by Kale Authorized Services are guaranteed for 2 years against workmanship and assembly defects.

Functional.

Cold Start

Providing cold and hot water passages ideally with the Kale Cold Start system, sink and bath mixer help you use energy resources efficiently.

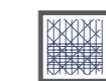

Comfort Zone

The extension and heights of the faucet spouts ensure comfortable use.

+/-7° Swivel Faucet Aerators

Enables directional use of water flow for a more comfortable use.

Honeycomb and Cascade Faucet Aerators

Helps saving water by mixing it with air. It is also lime-proof and does not require long-term cleaning.

Spout Diverter

Even if the pressure drops below 0.5 bar, it continues to work because it has a locking system.

Silicone Water Flow Nozzles

It prevents limescale in handshowers and is easy to clean as it is flexible.

Aesthetic.

Waterfall stream

It gives the natural water flow form feeling and provides a stylish appearance.

Saves Water.

Water-saving Faucets

Thanks to its special aerator, washbasin and washbasin faucets flow only 7 liters of water instead of 12 liters of TSE standard and saves 40% water.
