

THE ENERGY SAVING SMART TECHNOLOGY BY KALE

Cold Start System

Kale Nova, Basics and Sempre faucets series, which save water up to 50 percent with their smart flow system, now offer energy savings with a brand-new technology too.

Providing cold and hot water passages ideally with the Kale Cold Start system, sink and bath mixer help you use energy resources efficiently.

Cold Start system that provides cold, not warm water flow when the handle is in the middle; does not run the house heat system unnecessarily. It supports sustainable life by using your water and energy resources efficiently.
