*Transform your **kitchen** experience.*

Turkey's first and only porcelain countertop, T-One transforms your kitchen experience with its stunning beauty, its future-forward technology, its unrivaled performance and its sheer ability to make life as joyful as it was meant to be. It's easy to clean and wildly resistant to even the most extreme heat and cold. As resistant as it is to stains, scratches and abrasion. It's fireproof and environmentally friendly. Cooking never looked this good and performed this perfectly.

Chef Arda Türkmen

"The T-One Porcelain Countertop is my choice at home, in the studio and the kitchen.

It is scratch resistant, stain-proof and extremely durable against heat, and rough objects in the kitchen, and it does not become deformed... I love and can't give up it!"

Chef Ceyda Artun

"We expect the environment we are in while cooking to help us.

We can be comfortable and creative in the kitchen only in this way.

I prefer the T-One. Because I can move more freely while cooking thanks to its ease of use, and the freedoms it offers."

Chef Claudio Chinali

"I chose to use T-One for my kitchen because it is an extremely versatile product, resistant to any mistreatment such as pans hot, greasy and cuts..."

But above all because thanks to its design it is able to represent elegance and naturalness, the two main characteristics of my kitchen!"

Chef Maksut Aşkar

"Being a chef is a part of my life rather than a job. I cook just to share this feeling with people.

Because I believe that we should inspire each other. One of my biggest supporters in the kitchen is the T-One. Thanks to its durability, ease of use and aesthetic appearance,

I can focus on creativity."

Chef Şemsa Denizsel

"The T-One Porcelain Countertop is extremely practical! It does not allow acid stains and heat marks, the dough does not stick to it, and it can be easily cleaned..."

What else do we expect?"

A modern kitchen interior featuring a large white marble countertop with prominent gold and grey veining. The countertop is part of a kitchen island and extends into the background. In the background, there are dark grey cabinets, a stainless steel range hood, and a gas cooktop. A long, cylindrical copper pendant light hangs from the ceiling. To the right, a wooden dining table is partially visible with a white plate, a bottle, and some books. The floor consists of large grey tiles in the foreground and a wooden plank floor in the background. The text "Technical Specifications" is overlaid in a black serif font on the marble countertop.
